Jesus Said Love	24 Hour Hotline: 254.307.1575	<p>We share the revolutionary love of Christ with women in the commercial sex industry by awakening hope and empowering change. Within the JSL model, we have watched women's lives and their children's lives improve. Our goal is empowerment, not enablement. All of the dancers we encounter are daughters, some are sisters, aunts, and wives, and roughly 80% are mothers. Many of these women walked through abortion or had children removed from custody; some are homeless, some stay in hotels, and few own a home; many are hungry and face poor nutrition. Despite what the media may lead you to believe, the glamorization of the sex industry is not reality.</p> <p>As we empower these women, we believe that we are also helping their children to have bright and hope-filled futures.</p> <p>http://jesussaidlove.com/</p>
