

LeadershipPlenty® Institute Commitment Form

Where as it is the goal of Today's Action Tomorrow's Leaders (TATL), and more specifically, their use of the LeadershipPlenty® Institute program to increase the number of trained, qualified people who can serve as future leaders in Waco's civic, nonprofit and government arenas, TATL puts forth the following standards.

LeadershipPlenty® Institute is a learning experience and requires the following commitments on the part of the participants:

1. Attendance at all 10 sessions is required; therefore no absences are authorized. Even though emergencies do arise, participants must complete all 10 sessions to receive the certificate.
2. A full session commences at 8:30 am and ends at 1:00 pm and attendance is expected for the duration of the session.
3. The participant should understand that a commitment is being made to not only attend but actively participate.

In the event of an absence, the participant is expected to notify staff/facilitators and make arrangements for a make-up class. Whenever possible, the make-up should occur prior to the next regularly scheduled session, as the module lessons are progressive in nature. In the event of 2 or more absences, the participant may be asked to withdraw/delay the completion of their program until the next round of Institute classes are offered.

I understand the above commitments and agree to be bound by them.
